## our academic theme

**FAMILY** – where life begins and love never ends! Our Academic Theme for October is all about the people who matter and love most in our lives. In addition, we will be learning about the house, the home, and the things that we all find in it. We have prepared awesome and fun activities to engage our children more into remembering, memorizing and talking about the most important people in their lives and identifying places in the home and the matching furniture.

We are going to celebrate a SPOOK - TACULAR Halloween with the children! It's this time of year when kids get that opportunity to dress up in costumes like Superman or Batman and even the favorite Spiderman! For the older children as ghosts and ghouls and get the chance to scare the teachers and classmates! Either way, we're getting ready for the attack of the adorable!!! **On the 28<sup>th</sup> of October!**
