ACADEMIC THEME

Our bodies are more than what we see when we look in the mirror – there are different parts that have different jobs, but each part works together so you can eat, sleep, sit in class and play with friends.

Our September theme brings the joy of learning more about our bodies being pretty amazing things! While there's lots happening on the outside that we can see, such as scratching an itch, eating lunch with our friends at school and running outdoors, there's even more happening inside. This month, our kids will find out more about their internal organs, and about their five senses!

FANTASTIC DAY -

MID-AUTUMN FESTIVAL!

In Vietnam the Mid-Autumn Festival is the happiest day for children, during which parents buy their children various types of lanterns, snacks and funny masks. It is celebrated by worshiping the god of the earth, carrying around carp-shaped lanterns, watching the lion dance and eating moon cake!

This year we will do the same but with wonderful performances by our big children! There will also be a Dragon Dance done by teachers and students. A Photo Booth, a traditional food corner and a sweet corner! That day will be marked by fun and food!

Our littler kids will be doing some arts and crafts and play the games prepared. Lunch on that day will be a buffet! We want our Sunshine House Kids to appreciate and enjoy this festival as it was meant to be on the 21st of September.

SPECIAL ANNOUNCEMENT

In lieu of 2nd September falling on a Sunday, we will have Monday, the 3rd of September off.

Classes resume on the 4th September, Tuesday!
