

SEPTEMBER

Our academic theme

September is another month of exciting learning focusing on the body and its different parts. The children can learn body parts using various songs, games and activities. These basic anatomy lessons teach our children how to recognize body parts and understand their use. Kids can expect experiments in their Science classes, fun language games in their English and ERW classes and many interesting activities that they can do in their other classes.

Special Activities!

FANTASTIC DAY - MID-AUTUMN FESTIVAL

In Vietnam the Mid-Autumn Festival is **the happiest day for children**, during which parents buy their children various types of lanterns, snacks and funny masks. Sunshine House is celebrating this on the **29th of September**.

In Vietnam, the Mid-Autumn Festival is celebrated by worshipping the god of the earth, carrying around carp-shaped lanterns, watching the lion dance and eating moon cake! This year we will do the same but with wonderful performances by our children! We want our Sunshine House Kids to appreciate and enjoy this festival as it was meant to be.

Special Announcement

In lieu of 2nd September falling on a Saturday, we will have Monday, the 4th of September off. Classes resume on the 5th September, Tuesday!

Special Schedule

BIRTHDAY CELEBRATION DATES:

Party 16th September.

Rudraansh (boy) - 9th Sept 2014
